

CORL Wall of Fame

Our current appeal is for multi-year commitments of \$300 per year. If every orthopaedic surgeon in Canada were to donate \$300 per year, resources for research would reach one million dollars in less than four years. We thank the following supporters of our annual appeal.

Tableau d'honneur du HROC

Nous sollicitons, par l'intermédiaire du présent appel de fonds, un engagement annuel de 300 \$. Si chaque orthopédiste au pays fait un don annuel de 300\$, il faudra moins de 4 ans pour que les ressources pour la recherche atteignent un million de dollars. Nous remercions les personnes suivantes pour leur appui.

Thank you! Merci!
